GEA College – Faculty of Entrepreneurship

Slovenia

geacollege
Entrepreneurship is the future

Who we are and what we do more than 30 years...

- **GEA College - Business Education center** (offers short, highly practical and specialized trainings and consultancy programs, tailor made programs, academies)
- **GEA College – Faculty of Entrepreneurship** (undergraduate and postgraduate programs)
- **GEA College – Centre of Higher Vocational Schools** (2 year undergraduate programs)
- **Incubator GEA College** (support to idea creations and start-ups)

Our Projects and Activities

Youth Entrepreneur Competition

Groups of students draft their project assignments and present their own business ideas within 3 months.

Student Challenge

Students face real business challenges to which they need to find a solution and turn them into an opportunity.

Mentoring program SBC

Exchange of experience and knowledge in the field of entrepreneurship, business and career development.

Workshops for High School Students

Workshops from the field of business, entrepreneurship, creativity, innovation... are held in high schools or online.

Our Projects and Activities

GEA College Business incubator

Is a support environment, assisting individuals, "young" companies or start-ups to launch their companies and/or accelerate their growth.

Career Centre

Connects the business and academic sphere and assists students and graduates on their path to a successful career.

International Office

Is dedicated to the students, lecturers and every individual, who is seeking international experience.

GEA College Alumni Club

Is connecting graduates of GEA College and building an environment to create business opportunities.

Our Projects and Activities

Are 90 min conversations with successful leaders and exceptional individuals who guide us through their career paths, reveal the secrets of overcoming challenges.

ABSRC Conference

ABSRC is an important international gathering of business and business-related sciences scholars and educators.

Online Academies

Innovation, Marketing, Sales, Digital marketing.

Publishing

Professional books and manuals that are interesting and extremely useful in everyday business challenges.
